

PARENTS, STAFF, SENIORS AND SETON CENTER SUPPORTERS:

GIFT SHOPPING JUST GOT EASIER!

It may be too early to worry about Christmas shopping, but it's never the wrong time to visit the new *GIFTIQUE* website:

www.giftiquepgh.com

Gift shopping is now simple, reasonable,
and available 24/7.

As of October 15, *GIFTIQUE* is online, and we are celebrating our new website with a partnership program that donates 10% of your purchase price on any item to:

Seton Center for Intergenerational Programming.

The whole process is painless, and you will be amazed at our quality, variety and reasonable pricing. Just visit our website and follow the simple instructions to buy, donate and enjoy.

Three people can benefit from each purchase:

Someone receives an enchanting present.

Seton Center receives a donation.

You receive the satisfaction of giving or getting that perfect gift.

Whether it's Christmas or a christening, whether it's Mothers Day or moving day, you can always find the perfect gift at:
